"WATER ACT" AND AMENDING ACTS AND
"WATER ACT, 1914."

BEFORE THE BOARD OF INVESTIGATION.

In the Matter of all Streams in the Revelstoke Mining Division.

MEETINGS of the Board of Investigation will be held at Revelstoke on the 11th day of September, 1914, at 10 o'clock in the forenoon for all of such streams draining into the Columbia River north of the main line of the Canadian Pacific Railway, at Revelstoke on the 10th day of the said month at 10 o'clock in the forenoon for all of such streams draining into the Columbia River between Wigwam Railway Station and the main line of the Canadian Pacific Railway, and at Arrowhead on the 12th day of the said month at 10 o'clock in the forenoon for all of such streams draining into the Columbia River below Wigwam Station.

All statements of claim to water privileges on these respective streams, all objections thereto, and the plans prepared for the use of the Board will be open for inspection.

All persons interested are entitled to examine these, and to file objections thereto in writing if they deem fit.

At these meetings claimants who have not previously done so shall prove their title to lands to

which their water records are appurtenant. This may be done by producing, in case of Crown-granted lands, the title deeds or a certificate of encumbrance or other evidence of title; or in case of lands not held under Crown grant, by producing the pre-emption record, the agreement of sale, the mining record, or other documents of title.

Objections will be heard forthwith if the party objected to has received sufficient notice of the objection.

The Board at the said meeting will determine the quantity of water which may be used under each record, the further works which are necessary for such use, and will set dates for the filing of plans of such works, and for the commencement and completion of such works.

And whereas there may be persons who, before the 12th day of March, 1909, were entitled to water rights on any of the said streams and yet have not filed statements of their claims with the Board of Investigation; such persons are required to file on or before the 21st day of August, 1914, a statement as required by section 294 of the "Water Act, 1914." Forms (No. 50 for irrigation, and No. 51 for other purposes) may be obtained from any Government Agent in the Province.
